

# KAE Community Choir

**New for 2019-2020....**

**Come join the Kingston Adult Education Community Choir!**

Come and enjoy singing as part of a choir. You will get to improve your voice, understand the basics of breathing techniques and learn new songs in 3-part harmony all whilst having lots of fun. No previous experience or ability to read music is necessary.

You will be asked to learn songs (from recordings) as you will be working towards a concert at Christmas. Participation in the concert will be encouraged but is not compulsory. Vocal and breathing exercises will help improve your voice.

**Start date: 25 Sept 2019**

**Time: 7.30-9.30pm**

**Course: 11 weeks**

**Cost: £58**

**Location: King Charles Centre  
Hollyfield Road, Surbiton  
KT5 9AL**

On this fun and enjoyable course you will learn the foundations of breathing techniques to support singing and well-being. You will learn about vocal exercises to improve the range and strength of your voice, your tone and pronunciation. Learn to listen to your voice and to sing in tune with others.

For this course you will need a recording device such as your phone. This will be useful to help you practice at home when learning your parts for songs.
